

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Thorius.....	111	Zonotrichia	126

GENERAL INDEX.

- Austin, C. F., Characters of some new Hepaticæ (mostly North American), together with notes on a few imperfectly described species, 218.
- Bancker, Chas. N., Announcement of death of, 3.
- Cassin, John, Resolutions with reference to the death of, 1.
- Committees, Standing, for 1869, 2.
- Cope, E. D., Remarks on fossils from the Southern States, 3; Third contribution to the Fauna of the Miocene Period of the United States, 4, 6; On the Cetaceans of the Western Coast of North America, 5, 13; Remarks on *Heloderma horridum*, 5; A review of the species of *Plethodontidæ* and *Desmognathidæ*, 91, 93; Remarks on fossils from Anguilla, W. I., 92; Remarks on *Therapsosaurus*, *Ornithotarsus*, and *Macrosaurus*, 123; On the cranium of *Hyperaodon biden*, and on *Mesoplodon*, *Eschrichtius*, *Hadrosaurus*, and *Polydectes*, 192.
- Correspondence, 245.
- Coues, E., On the variations of the Genus *Aegiothus*, 179, 180; On the classification of water birds, 191, 193.
- Davis, J. B., An attempt to ascertain the average weight of the brain in different races of mankind, 93.
- Donations to Library, 250.
- Elections for 1869, 244.
- Ennis, J., The auroral display of April 15, 1869, 173.
- Index to Genera, 264.
- Lea, Isaac, Note on microscopic crystals contained in minerals 3, 4; Further notes on microscopic crystals, 92, 119; Description of six new species of fresh water shells, 124.
- Leidy, Jos., Notice of some extinct vertebrata from Wyoming and Dakota, 12, 63.
- Meehan, Thos., Sexual law in the *Coinifera*, 92, 121; On the production of Bracteæ in *Larix*, 123, 176; On the gland-bearing leaves on the peach and cherry, 136; On the fibre of Ramie, 136; Remarks on adventitious and axillary buds, 178; On the law of development in the flowers of *Ambrosia artemisiæfolia*, 180, 189.
- Meek, F. B. and A. H. Worthen, Description of new Crinoidea and Echinoidea from the carboniferous rocks of the Western States, with a note on the Genus *Onychaster*, 12, 67; Remarks on the Blastoidea, with descriptions of new species, 12, 83; Description of new carboniferous fossils from the Western States, 123, 137.
- Meigs, Dr. Chas. D., Announcement of death of, 124.
- Officers for 1870, 243.
- Redfield, J. H., Note on *Schizæa pusilla*, 13; Note on *Corema Conradii*, 91; On *Aspidium aculeatum*, 179.
- Report of Curators, 234.
- Report of Ornithological Committee, 237.
- Report of Librarian, 238.
- Report of Recording Secretary, 239.
- Reports of Conchological Section, 240.
- Resolution regarding the Humboldt festival, 172.
- Ridgway, Robert, Notice of certain obscurely known species of American birds, based on specimens in the Museum of the Smithsonian Institution, 124, 125.
- Ruschenberger, Dr. W. S. W., Election as President, 2.
- Scammon, C. M., On the Cetaceans of the Western Coast of North America, 5, 13.
- Tryon, Geo. W., Jr., Election as Curator, 3.
- Walsh, B. D., Announcement of death of, 191.
- Wood, Alph., On *Brevoortia*, 172, 173.
- Warner, John, Remarks upon the mathematic representation of organic forms, 124.
